

## ***Purpose***

- ❖ To promote the common business interests of those engaged in disability and risk management.
- ❖ To advance public knowledge for the need and benefit of disability income, health insurance, and/or Employee Benefit related products.
- ❖ To promote the adoption and application of high standards of ethical conduct in the health insurance industry.
- ❖ To provide and promote a program of continuing education and self-improvement for Association members.
- ❖ To increase the knowledge of members concerning the principles, functions, and applications of health insurance, disability income, and/or employee benefit products.
- ❖ To promote education, legislation, regulation, and practices which are in the best interest of the health insurance industry and the insuring public.
- ❖ To encourage adequate protection against the hazards of disability as part of a well-rounded insurance program.
- ❖ To do such other things and to carry out such other programs so as to further the purposes of the Association.
